

THE ANCHOR FUND APPLICATION FORM

Funded by THE INVICTUS TRUST

Please complete this short application form if you feel your family would benefit from a grant to help fund travel expenses to visit a loved one who is staying in a mental health inpatient unit out of Cornwall.

To qualify for the Anchor Fund, the patient must be under the age of 18, be receiving in-patient care outside Cornwall but have their home address within Cornwall. Each application is reviewed by the Invictus Trustees, and the award of a financial grant is at the discretion of the trustees. No more than one financial award from the Anchor Fund will be made per family.

Further evidence of your loved one's residential care in a unit out of county may well be requested.

*We thank you for your co-operation.

About your application:

<p><i>At the Invictus Trust, we are campaigning for an NHS adolescent mental health unit for 13-25 year olds to be built in Cornwall. The Anchor Fund is a way in which we support the families who's loved ones aren't receiving the care they deserve in Cornwall, due to a dire lack of facilities. Please tick this box to show your support for our campaign.</i></p>	<input type="checkbox"/>
<p><i>Our campaign for an adolescent mental health unit to be built in Cornwall regularly receives press coverage in the local newspapers, and on the TV. We put out campaigns to support our cause online, on social media, and in the press.</i></p> <p><i>Please tick this box if you will allow us to quote your circumstances as part of our campaigns, and in the press.</i></p> <p><i>Please tick this box if you are willing to be approached by Invictus about press enquiries, where you may be asked to share your situation for the purposes of our campaign.</i></p> <p><u><i>** Please note that the Invictus Trust will never give your details out to anybody, and will always contact you directly instead. We treat your personal details and contact information with the upmost confidentiality. **</i></u></p>	<input type="checkbox"/> <input type="checkbox"/>
